UL-247

Stick with the Best

Out of the box and ready to go.

United Label proudly introduces the UL-247 desktop nursery tag and label printer packaged to run with or without a PC. We can design formats, tailored to your specifications, then send to the printer for future recall with the attached keyboard for \$865.

Or, use BarTender Pro software and run the UL-247 directly from a PC for only \$995. This full version software has database capabilities. Barcodes and Graphics are easy to produce including QR codes.

Uses many of the same roll stock as our larger table top printers.

The UL-247 handles full size rolls of stock (3" core with 8" OD rolls) and a 984' ribbon. Print width is 4.25" wide with a 203 dpi resolution at speeds up to 5" per second. These standard features make the UL-247, pound for pound, the fastest, most versatile, user friendly desktop system for low volume requirements on the market today.

Standard printer features:

- Parallel, Serial & USB ports
- **984' ribbon length**
- Dual motor gear driven system
- **2 year limited warranty**

Options:

- Battery Pack – Lithium ion
- Ethernet LAN interface
- Memory cards: 1M to 4M bytes

Superior Outdoor Materials:

- Slip-Ons: 1" x 10" & 3/4" x 7"
Available in 12 colors
- Pot sticks: 1" x 4-1/2" & 1/2" x 3"
(13 mils thick)
- Labels: Wide selection for plug trays,
pots and cartons.
Including: Wal-Mart &
Home Depot labels

Package includes:

- UL-247 thermal transfer printer
- External media holder
- Keyboard (Stand-Alone system)
- USB cable
- BarTender Pro (PC-Driven system)
- Pre-formatted labels (Stand-Alone system)

Other Specs:

- Media width: .75" to 4.5"
- Media length: .4" to 39.3"
- Environmental: 20 - 95% non-
condensing relative humidity
