### Out of the box and ready to go.

United Label proudly introduces the UL-247 desktop nursery tag and label printer packaged to run with or without a PC. We can design formats, tailored to your specifications, then send to the printer for future recall with the attached keyboard for \$865.

Or, use BarTender Pro software and run the UL-247 directly from a PC for only \$995. This full version software has database capabilities. Barcodes and Graphics are easy to produce including QR codes.

### Uses many of the same roll stock as our larger table top printers.

The UL-247 handles full size rolls of stock (3" core with 8" OD rolls) and a 984' ribbon. Print width is 4.25" wide with a 203 dpi resolution at speeds up to 7" per second. These standard features make the UL-247, pound for pound, the fastest, most versatile, user friendly desktop system for low volume requirements on the market today.

### Standard printer features:

- Parallel, Serial & USB ports
- **984' ribbon length**
- Dual motor gear driven system
- **2 year limited warranty**

### Options:

- Ethernet LAN interface
- Memory cards
- Bluetooth

### Superior Outdoor Materials:

- Slip-Ons: 1" x 10" & 3/4" x 7"  
Available in 12 colors
- Pot sticks: 1" x 4-1/2" & 1/2" x 3"  
(13 mils thick)
- Labels: Wide selection for plug trays, pots and cartons.  
Including: Wal-Mart & Home Depot labels

### Package includes:

- UL-247 thermal transfer printer
- External media holder
- Keyboard (Stand-Alone system)
- USB cable
- BarTender Pro (PC-Driven system)
- Pre-formatted labels (Stand-Alone system)

### Other Specs:

- Media width: .75" to 4.5"
- Media length: .4" to 39.3"
- Environmental: 20 - 95% non-condensing relative humidity
