Custom Marketing Programs

The Horticulture Division of SATO Labeling Solutions America, Inc. is committed to finding solutions, solving challenges, and helping our customers increase their sales through custom marketing programs. The most effective programs are tailored for your specific product or program, combining containers, custom designed tags, and point-of-purchase (POP) materials to achieve merchandising strategies aimed at generating turns.

Custom printing is an excellent marketing tool. It directs consumers to your product, answers common questions about your product, and creates an identity for your product and company.

SATO's experienced graphic design team can bring you fresh ideas to meet consumer trends. We're committed to developing the most effective printing solutions for you and your product. Differentiation is a key to distinguishing your program from the masses.

Supply your own art, or have the SATO team create a design that compliments and promotes your product.

If you're not looking for a custom sized project, we also have a large library of standard shapes available.

Give us a call today!
