

Introducing Epson's Line of ColorWorks™ Printers

Epson® TM-C7500

Epson® TM-C3500

Epson® GP-C831

Print on-demand horticultural Pot tags (23-mil), Basket tags, Hang tags,
Slip-On tags, Signage and Adhesive labels

www.UnitedLabel.com

Color On-Demand™ Printers

Epson's patented MicroPiezo® inkjet technology together with DURABrite® Ultra Pigment ink ensures clear, easy-to-read text, barcodes and vibrant colored graphics upon a variety of printed materials including synthetics that resist smudges, light, ozone and water.

Designed to handle your most challenging environments.

Epson® TM-C7500

The reliable performance of the Epson® ColorWorks™ TM-C7500 means minimal maintenance; designed ideally for high volume, on-demand applications with print throughputs of 11.8" per second¹.

Prints die-cut media up to 4" wide - Matte or Glossy.

\$8,499.00 includes both USB and ethernet connectivity
\$157.50 Ink Cartridge (each color sold separately)

Epson® TM-C3500

Dramatically reduce label costs, increase operational efficiencies and quickly produce high-quality color labels with Just in Time Color™ printing on Epson's high-speed ColorWorks™ TM-C3500 printer.

Prints continuous and die-cut media up to 4" wide - DHCP.

\$1,850.00 includes both USB and ethernet connectivity
\$17.50 Ink Cartridge (each color sold separately)

Epson® GP-C831

Epson's ColorWorks™ GP-C831 industrial-strength color label printer with its tractor feed material advancement feature is designed for large batch print runs. Its impressive media throughput of 16.5 pages per minute² provides remarkable price to performance output.

Prints continuous and die-cut media up to 8" wide - DHCP.

\$1,995.00 includes both USB and ethernet connectivity
\$53.00 Ink Cartridge (black)
\$17.50 Ink Cartridge (each color sold separately)

¹ Printing in full 1200 x 600 resolution with flush-onto-paper mode enabled.

² Speed of up to 16.5 pages per minute is based on draft mode.
