Plan now to \$AVE in 2010

Why not start today?

Attn: Thermal printing system users

Just a friendly reminder to take advantage of a money saving plan being offered by United Label once again, your supplier of on-demand printing tags and labels.

Here's an example of how this works: First, let's say you estimate needing 20,000 tags/labels for the upcoming season. Then, each time you place an order, your pricing will be based on the 20,000 quantity level; regardless of how many tags/labels are purchased on any one given order. You can order just one roll of material and still pay the discounted price at the 20,000 quantity break.

Benefits of this Agreement:

- 1) **Deep discounts** for you
- 2) Purchase only what you need, when it's needed. This approach puts less strain on cash flow.
- 3) By knowing your future needs, we can better anticipate inventory levels; thereby reducing your order lead times.

Accompanying this letter is the purchase agreement. Please sign and return.

FREE TECH SUPPORT ONLY WITH SIGNED PURCHASE AGREEMENT

If you have any questions, feel free to contact us. Usage reports for 2009 available upon request.

Thank you,

United Label & Sales

PURCHASE VOLUME AGREEMENT

AGREEMENT TIME FRAME: JANUARY 1, 2010 TO DECEMBER 31, 2010

REGARDING LABEL & TAG ROLL STOCKS FOR THERMAL AND LASER PRINTING SYSTEMS.

PLEASE REFER TO THE QUANTITY LEVELS LISTED BELOW.

IF YOUR COMBINED ANNUAL USAGE IS AT LEAST 20,000 LABELS & TAGS, THEN HERE'S AN OPPORTUNITY TO SAVE A LOT OF MONEY.

HERE'S HOW IT WORKS. IF, FOR EXAMPLE, YOU AGREE TO PURCHASE 50,000 LABELS &/OR TAGS IN CALENDER YEAR 2010, THEN YOU WILL BE CHARGED AT THE 50,000 DISCOUNTED COLUMN PRICE ON ALL QUALIFIED PURCHASES. SO, IF YOU JUST NEED ONE ROLL OF LABELS FOR A PARTICULAR ORDER, YOU WILL ONLY BE CHARGED AT THE 50,000 COLUMN PRICE. IT'S THAT SIMPLE!

CHARGES FOR PRE-PRINTING ARE ADDITIONAL.

ROLLED SIGNS, STOCK CARDS AND TT10155t SLIP-ON TAGS DO NOT APPLY.

PRICES ARE RE-EVALUATED PERIODICALLY AND ARE SUBJECT TO CHANGE WITHOUT NOTICE WITHIN A CALENDER YEAR. HOWEVER, PRICE ADJUSTMENTS ARE MOST OFTEN REFLECTED IN NEW CATALOGS DISTRIBUTED EACH JANUARY. REGARDLESS, THE AGREED CONTRACT VOLUME WILL REMAIN UNCHANGED. SO YOU'LL ALWAYS RECEIVE THE BEST POSSIBLE PRICE AVAILABLE.

PLEASE CALL WITH ANY QUESTIONS. RETURN SIGNED CONTRACT VIA MAIL OR **FAX 216.226.9007**
